It's back to school, and we are now 7 months away from our event! Things are in good progress.

The organizing team is growing in order to prepare you a great event in an exceptional atmosphere.

Registrations have been growing steadily since September to reach nearly 600 cars registered today and just over 1,200 people.

We really hope to reach 1000 cars by the end of the year.

...Long live Traction!

2-Our partners : L'Aventure Michelin

Let yourself be surprised !

The *Michelin Adventure* Museum reveals the living history of a product and a brand that has always been in tune with the times.

At the center of this journey is the jovial and familiar figure of Bibendum, the Michelin Man. A figure that symbolizes *Michelin* : close to the public, constantly evolving, but remaining true to its values.

The Michelin Group museum offers a fun and interactive experience in a setting that will take young and old on a journey. Because yesterday's experience is the foundation of tomorrow's advances : the Michelin's epic story is first and foremost written in the present.

Take advantage of your stay in Auvergne to visit the *L'Aventure Michelin* museum, one of the region's emblematic sites.
