Departure by coach for **Lac Pavin**: discover this lake of volcanic origin, the youngest volcano in France at an altitude of 1,197m. **Besse Village**: **Free time** at the market to discover local produce. **Lunch on your own**. Continuing on to the **Col de Croix-Morand**, at an altitude of 1,401 m, which offers magnificent panoramic views and has hosted the Tour de France on several occasions. On to **Lac de Guéry**, a volcanic dam created by a basaltic lava flow: magnificent panorama of the **Massif du Sancy** and the **Chaîne des Puys**. View of the **Tuilière** and **Sanadoire rocks**, the remains of two volcanoes forming part of the Sancy-Monts Dore complex, eroded by glaciers. All that remains are the chimney (Tuilière) and a piece of the cone (Sanadoire) separated by a trough-shaped valley. Continue towards **Orcival**. Discover the **Basilique Notre-Dame**, nestling in a green setting in the heart of the Parc des Volcans d'Auvergne, one of the five Romanesque churches in the region. **Return to Cournon Zenith d'Auvergne.**
